

**RESOLUTION NO. 16-048**  
**AUTHORIZING EMERGENCY PURCHASE**  
**OF A NEW AIR COMPRESSOR**

**WHEREAS**, the Harrison Township Fire District (“Fire District”) uses an air compressor to fill the breathing air cylinders used by the firefighters and also for the truck mounted cascade system; and

**WHEREAS**, the air compressor, which is approximately 30 years old, has been put out of service due to mechanical failure; and

**WHEREAS**, due the aforesaid unforeseen situation, an emergency exists as there is an immediate need to purchase a new air compressor; and

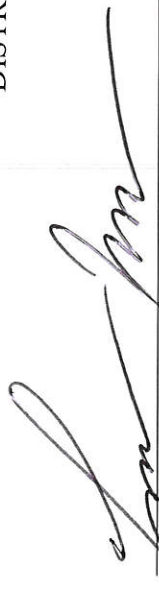

**WHEREAS**, pursuant to N.J.S.A. 40A:11-6 and the regulations promulgated thereunder, N.J.A.C. 5:34-6.1, a contract may be awarded without public advertising for bids and bidding when an emergency effecting the public health, safety and welfare requires the immediate delivery of goods;

**NOW, THEREFORE, BE IT RESOLVED** that based on the circumstances recited above the Board of Commissioners of the Harrison Township Fire District declares that an emergency situation exists and approves the immediate purchase a new air compressor; and

**BE IT FURTHER RESOLVED** that the Chairman, Kenneth Powell, is hereby authorized to execute the necessary documents and take such other action on behalf of the Fire District in furtherance of this Resolution.
