

**RESOLUTION No. 13-045
HARRISON TOWNSHIP FIRE DISTRICT
LATE INTRODUCTION OF 2014 BUDGET**

WHEREAS, the Harrison Township Fire District No. 1, is notifying the Director of the Division of Local Government Services that additional time is needed to properly prepare the budget for the year ending December 31, 2014.

WHEREAS, the reason for the additional time is set forth as follows:

1. The District was unable to introduce their budget for the year 2014 resulting from additional time required for the District to adjust to the turnover/elimination of the Business Administrator position—the current individuals involved in the preparation of the 2014 budget are new to the process. Also, the District required more time to become acclimated to the budget preparation features of the new accounting software utilized in 2013.

NOW, THEREFORE, BE IT RESOLVED, by the Commissioners of the Harrison Township Fire District No. 1, that the above-mentioned reasons are of a valid nature as to why the budget for the year ending, December 31, 2014 was not introduced by December 17, 2013.

Adopted this 19th day of December, 2013 and certified as a true copy of the original.
